Withdrawal from the University and Return to Title IV Policy

Withdrawal Process:

Class –
A student may withdraw from a class any time from the end of the official drop/add period until the date published as last day to withdraw in the academic calendar. Students who withdraw during this time period earn a “WD” in the course. The “WD” grade does not affect the student’s grade point average. Students are not allowed to withdraw from specific classes after that time except under extenuating circumstances and only with the approval of the Vice President for Academic Affairs. Anticipated course failure does not constitute an extenuating circumstance. Students can withdraw from a class in several ways:

- **DSU main campus**: Contact your Dean's Office, Admissions & Records (605) 256-5144, toll-free 1-888-378-9988 or use the Drop Sections feature in WebAdvisor
- **Students taking a DSU course, but degree-seeking at another institution**: Contact your home university
- **University Center students**: Contact the University Center you are attending (Sioux Falls, Pierre, Rapid City)
- **Distance students**: Contact the Office of Online Education at (605) 256-5049 or email online@dsu.edu
- **Graduate students**: Contact the DSU Registrar’s Office at (605) 256-5263, toll-free 1-888-378-9988 or email DSU-registrar@dsu.edu.

University –
When a student withdraws from all their courses in any academic term, they also withdraw from the University. If a student is enrolled at more than one Board of Regents institution, the student must withdraw from all courses at all institutions. In order to initiate a withdrawal from the University, students contact one of the following offices:

- **DSU main campus**: Contact the Vice President of Student Affairs Office at (605) 256-5124 or toll-free 1-888-378-9988 or email marie.johnson@dsu.edu
- **University Center students seeking a DSU major**: Contact the University Center you are attending (Sioux Falls, Pierre, Rapid City)
- **Distance students seeking a DSU major**: Contact the Office on Online Education at (605) 256-5049 or email online@dsu.edu
- **Graduate students**: Contact the DSU Registrar’s Office at (605) 256-5263, toll-free 1-888-378-9988 or email DSU-registrar@dsu.edu.

The **effective date of withdrawal is the date the student initiates the withdrawal process officially**, either verbally or in writing, with the appropriate office. Failure to officially withdraw may result in failing grades, forfeiture of any possible refund of charges, and will impact Federal financial aid eligibility. Additionally, a student is withdrawn from the University if classes have begun and the University has administratively suspended a student for reasons such as non-payment of tuition and fees, disciplinary sanctions, etc.

Refund Policy:

Refunds for room are based on the percent of the enrollment period remaining after the date of withdrawal. Board refunds are based on the account balance as of the date of withdrawal. No refunds for room or board will be issued after 60% of the enrollment period has been completed.

Students who withdraw, drop out, or are expelled from the University within the drop/add period receive a 100% refund of tuition and related fees. The drop/add period is 10% of the number of calendar days between the first and last day of the class. Breaks of five or more days are not included when counting the total number of days but Saturdays, Sundays and holidays are.

Students who withdraw, drop out, or are expelled from the University after the 60% point of the enrollment period will receive no refund.

Students who withdraw, drop out, or are expelled from the University after the drop/add period and before 60% of the enrollment period has been completed will have a refund calculated on the percentage of the enrollment period remaining after the withdrawal date. The percentage is determined based on the date of withdrawal divided by the days in the enrollment period (minus breaks of 5 days or more). For example, if a student withdraws with 20% of the enrollment period completed, 80% of the tuition and fee charges will be refunded.
Students Who Do Not Receive Federal Title IV Financial Aid

The refund shall be determined by computing the percentage of the enrollment period remaining after the date of withdrawal times the tuition and fees originally assessed the student. At no time will refunds be awarded after the 60% point of the enrollment period.

Students Who Receive Federal Title IV Financial Aid (R2T4 Policy)

General Information: The U.S. Department of Education requires institutions to apply the Return to Title IV Funds policy for students withdrawing from a University who receive Title IV financial aid. Title IV funds include the following financial aid programs: Direct Stafford Loans, Direct PLUS Loans, Federal Perkins Loans, Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Federal Supplemental Educational Opportunity Grants, and other Title IV assistance. The requirements for Title IV program funds when withdrawing are separate from the DSU refund policy. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. DSU may also charge the student for any Title IV program funds that were required to be returned that were initially used to cover institutional charges.

A student who withdraws after the 60% point of a semester is entitled to retain all Title IV aid for that semester. However, if the student withdraws prior to the 60% point of the term, unearned Title IV funds as determined by the federal policy must be returned to the various programs. These funds must be returned even if the University provides no refund to the student. This means the student could owe the University and/or the U.S. Department of Education a significant amount of money.

Post Withdrawal Disbursement: If the student did not receive all of the funds that were earned prior to withdrawing, a post-withdrawal disbursement may be due. If the post-withdrawal disbursement includes loan funds, the student must give permission before the funds can be disbursed. DSU may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges. Permission is required to use the post-withdrawal grant disbursement for all other school charges. Students will be notified of post-withdrawal disbursement eligibility within 30 days of the date of withdrawal determination.

Determining Earned Aid: Title IV financial aid is earned by the calendar day, not class day. This includes weekends, holidays, and breaks of less than five consecutive days. The University is required to determine the amount of Title IV aid the withdrawing student has earned and then either disburse any additional funds the student may be entitled to up to the amount earned, or return funds in excess of the amount earned which the student has already received. If an amount to be returned is to a federal program is determined, then a further calculation is made to determine how much of the amount needs to be returned by the University and how much, if any, needs to be returned by the student.

For example: If $1,000 in federal aid is disbursed, and the student withdraws at the 30% point of the term, $700 of the aid is unearned and needs to be returned to the identified aid program.

Order of Aid to be Returned: The amount to be returned is distributed in a specified order - Unsubsidized Stafford Loan, Subsidized Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, SEOG, TEACH Grant, Iraq & Afghanistan Service Grant, other Title IV assistance, and last to the student.

Grant Overpayment: Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment the student must repay is half of the grant funds that were received or scheduled to receive. The student does not have to repay a grant overpayment if the original amount of the overpayment is $50 or less. Arrangements must be made with DSU or the Department of Education to return the unearned grant funds. The student will be notified of any grant overpayment within 30 days of the date the school determined the student withdrew.

Timeframe for Returning Title IV Aid: The Return of Title IV Funds calculation will occur as soon as possible but no later than 45 days after the date the University determined the student withdrew.

Notification to Student: Once the Return to Title IV Funds calculation has occurred, the DSU Business Office will notify the student of the results of the calculation, the aid that was returned, and any outstanding balance now due to the institution as a result. The University strongly encourages students and parents to consult with the Financial Aid Office to determine the financial impact of withdrawing before making a final decision.

Unofficial withdrawals (all failing unearned grades): Title IV aid recipients who fail to withdraw but stop attending class are considered unofficial withdrawals. Either the last day of academically related activity or mid-point of the term will be used to determine the amount of Title IV assistance that must be returned. If the student stopped attending prior to the 60% point of the term, the student will be billed for the outstanding charges as a result of the Return of Title IV funds. The last date of attendance for unofficial withdrawals is calculated within 30 days of determining the student was an unofficial withdrawal and the Return of Title IV funds is processed within 45 days.
