Submission of Online Proctor form:

A proctor is to be a person who will monitor you as you take your exam. The proctor will make sure at all times academic integrity is being used. All instructors will determine whether their courses will need a proctor for examinations. Please make sure to check your instructor’s syllabi or course’s D2L regarding the proctoring of exams. Proctor forms are submitted each semester.

DSU Online Students using the SD-BOR approved Testing Centers (see page 2 of this document) will be approved immediately. Online students living in SD BOR approved areas should be using the approved proctoring service if possible. Students in the Madison area must proctor with DSU Proctoring Services unless you are a High School student.

If you are unable to take your examination(s) with DSU’s proctoring services or one of the other South Dakota Board of Regents (SD BOR) institutions, you must arrange to have your exam(s) supervised by an appropriate proctor in your area. Refer to information below for securing a suitable proctor. You are encouraged to add web links when submitting an online proctor form to verify your proctor’s information.

If you choose a proctor outside of DSU or SD BOR Testing Centers your proctor’s position will need to be verified. After submitting the proctor form, an email will be sent to the proctor and/or a call made to establish credentials. Once your proctor has verified the proctor information by returning the verification email, your instructor will receive the verification email so exam information may be sent to your chosen proctor. Your instructor gives final approval of the proctor selected by you.

You will need to complete the online student Proctor Registration Online Form so your instructor knows who you are proctoring with. Exam information will be sent to your proctor. This proctor form is not used for other institutions.

DSU may at any time request additional verification or mandate an alternate proctor. The proctor services may be terminated at any time by any or all three active parties (student, proctor, DSU) with written notice to all parties involved.

Securing a Suitable Proctor

Suitable proctors include:

- South Dakota Board of Regents (SD BOR) approved Testing Center
- Active member of the clergy
- Full time faculty member of an accredited institution
- Professional Testing Center
- Professional educator (superintendent or principal)
- State certified Elementary/High School teacher or Counselor
- Public librarian - libraries with non-business emails may be used if the library has a website showing the email address
- Military Officer – Higher rank than student
- Human Resource professional
- Medical Supervisor/managerial directors (Can only be used by HIM students and working in a medical facility)

Unsuitable proctors:

- Co-workers
- Your boss, supervisor, employee
- Friends, relatives or neighbors
- Fellow teachers
- Works out of home
- Users of Non-professional emails, i.e.: Gmail, Hotmail, Yahoo, etc. (Unless can be shown this is business email)

Employment Verification:

When choosing a proctor, make sure proctor information can be verified by visiting a website in addition to calling place of business. The proctors name and job title must be listed on the company webpage. Submit professional emails otherwise you will need to provide documentation that the account is the proctor’s business email. You are encouraged to add web links to proctor form for verification.

Proctor Guidelines

The proctor must follow strict guidelines associated with an examination. Any acts of academic dishonesty will be dealt with on a case-by-case basis and may be ruled as cheating as stated in the DSU student handbook. Passwords or paper exams will be emailed to proctor. Please make sure passwords and paper exams are secured and only accessed by proctor.

Proctors should attempt to provide proof of the information stated below.

- Ensure that examinations take place at a business/professional address and not a residential address.
- Check student photo ID/license to ensure the examinee is actually the person scheduled to test.
- Ensure that no copies of the exam are made.
- Ensure that the student does not access notes, books, or articles during the exam unless the test specifies otherwise.
- Continually monitor students during exam
- Time the test and stop the examinee when time has been expended.
- Note any testing irregularities and contact the instructor and proctor@dsu.edu with issues.
- If a fee is charged for exam supervision, request payment from the student at the time of testing. Dakota State University will not pay proctor fees or mailing costs of the exam.
- Return exam within 24-hour period
