

## **Plan of Study**

**Biology for Pre-Veterinary** 

Catalog Year: 2020-2021

**Sample Schedule:** students are not limited to this plan; it is meant to serve as a guide for planning purposes in discussions with your academic advisor. This plan is one possible path to completing this degree in *four years*.

|   | FIRST YEAR   |                                    |                  |
|---|--|------------------------------------|------------------|
| First Semester  |  |                                    |                  |
| Course  | Prerequisites / Comments                                   | Credits                            | Semester Offered |
| BIOL 145-Intro to Sci. Inquiry  |  | 1                                  | F                |
| BIOL 151 General Biology I* and Lab   |  | 4                                  | F                |
| CHEM 112 General Chemistry I * and Lab  | Math 114, 115, 129, 121, 123, 125 or 281                   | 4                                  | F                |
| MATH 1XX College Algebra/Trigonometry/Calculus I  | Placement reports determine                                | 3-4                                | Varies           |
| CSC 105 Intro to Computers  |  | 3                                  | F,S,SU           |
|   | Total Credit Hours   | 15-16                              |                  |
| Second Semester   | -  | r.                                 |                  |
| Course  | Prerequisites / Comments                                   | Credits                            | Semester Offered |
| BIOL 153 General Biology II * and Lab   |  | 4                                  | S                |
| ENGL 101 Composition I*   |  | 3                                  | F,S              |
| CHEM 114 General Chemistry II* and Lab  | CHEM 112; Math 114, 115, 129, 121, 123, 125, or 281        | 4                                  | S                |
| Social Science (Psychology) **  |  | 3                                  | F,S              |
| CIS 123 Prob. Solving or CSC 150 Comp. Science I  |  | 3                                  | F,S,SU           |
|   | Total Credit Hours   | 17                                 |                  |
|   |  |                                    |                  |
|   | SECOND YEAR  |                                    |                  |
| Third Semester  |  |                                    |                  |
| Course  | Prerequisites / Comments                                   | Credits                            | Semester Offered |
| BIOL 331 Microbiology** and Lab   | BIOL 151 and Lab   | 4                                  | F                |
