Location Matters: It matters where you live when taking an online course or an on-campus course with an experiential learning activity (such as, but not limited to, clinical, internships, externships, student teaching, supervised field experience, co-curricular courses, fellowships, seminars, etc.) outside of South Dakota. If you move to, or live in, a different state after admission to the program, continuation within the program will depend on the availability of the program within the new state where you live. The change in location may impact your receipt of financial aid and tuition assistance benefits. It is your responsibility to contact DSU personnelwith direct oversightof your program if there is a change in state location. You can also contact online@dsu.edu.
