Project Description: Please provide a below a description of your proposed service project. You should include any relevant information about the history and/or mission of the group, agency, or institution benefiting from the service. Students may also wish to explain why or how they settled on their project. The description needs to identify the project's short-term goal and make clear its ongoing benefits.

Group projects are allowed but proposals must make clear the involvement and obligations of each participant and must include an increased commitment and benefit commensurate with the number of participants.
