Do you have: Temperature > 100.4, cough, shortness of breath, difficulty breathing, chills, repeated chills with shaking, muscle pain, headache, sore throat, new loss of taste or smell, or have been in close contact with someone that is COVID positive?

- **NO to ALL of the above questions**
  - Proceed with normal activities

- **YES to ANY of the above questions**
  - Return to your residence hall room or residence
  - Call your personal health care provider or DSU Student Health at 605-270-7678 (M-F, 9am-5pm) to discuss need for testing
  - You may also call Madison Regional Health at 605-256-6551 to discuss need for testing
  - Testing is not an emergency and will be scheduled during clinic hours
  - Testing recommended

---

**COVID POSITIVE**

- Follow isolation instructions
- Call 605-291-2660 or email covid@dsu.edu for further instructions
- Self-monitor and social distance
- Return to residence hall room or residence
- Remain in relocation housing or residence until test results return
- If you have no symptoms or your symptoms are resolving after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 additional days.
- If you have a fever, continue to stay home until your fever resolves.

---

**COVID NEGATIVE**

- Return to residence hall room or residence
- Return to normal activities when you have no fever for 24 hours without medications
- Cover your cough
- Wash your hands frequently
